

Responding to works of art / **worksheet**

Student's name

Title

Artist's name

Date (birth/death)

When was it made?

What materials are used?

1. List what you can see in the work of art (people, buildings, animals, shapes)

2. What techniques have been used to make the work of art?

3. What do you look at first in the work of art?

Describe the pathway leading your eye around the work of art.

4. Artists create depth in a painting. What devices has the artist used to achieve this?

5. Where is the focal point in the painting? Why is your attention drawn to it?

6. Why does the artist employ repetition of shapes, lines, colours and textures?

7. How does the colour or the light make you feel about the work of art?

8. Responses to works of art can be very personal. What is your response to this work of art?

Draw a detail of the work of art
