

Corporate Art Workshops

Option 1 **Corporate Identity** \$1200*

What vision do you have of your corporation? Is it shared by your colleagues and are you working towards a common goal? This package is designed to enable you to explore these ideas by expressing corporate identity through teamwork, in a relaxed, enjoyable environment.

Option 2 **Team Building** \$1200*

This program develops collaboration and flexibility through response to an artwork. Participants will engage in a small group exercise that encourages creative problem solving, communication, lateral thinking as well as respect for alternative solutions and work practice.

Option 3 **Creative Opportunities** \$1200*

How can making art benefit your workplace? Uncover your creativity in a challenging but non-threatening space. Work with Educators to discover your skills in drawing, painting, printmaking or three-dimensional works. This workshop will highlight the benefits of using art as a method of stress reduction and relaxation.

The Art Gallery of Western Australia offers unique opportunities for corporate groups wanting a challenge that involves a dynamic team-building experience. In a relaxed, stimulating environment, experience a practical art workshop with a lively discussion of key State Art Collection works. Choose from one of our suggested workshops, or we can design a program to achieve your specific requirements and outcomes.
