VENUE HIRE

The Art Gallery of Western Australia has a dynamic and innovative cultural presence in central Perth, and offers itself as one of Perth's most impressive venues. The Gallery is available for private hire for meetings, presentations, product launches, exclusive cocktail parties and formal dinners, as well as special events. While guests socialise they have the opportunity to view art exhibitions drawn from the State Art Collection or visiting international exhibitions.

In addition to the Concourse, which is the main function venue, there are a number of additional function areas. These include the Centenary Gallery, lecture theatre and the refurbished Foundation Rooms that can be utilised for a variety of purposes, such as private dinners or small cocktail functions for numbers from 8 – 800 guests.

Guests can view national and international art exhibitions exclusively at your event. The Gallery can provide you and your guests with a unique opportunity to bring the art to life through guided tours.
