INDEPENDENT AUDIT OPINION

To the Parliament of Western Australia

THE BOARD OF THE ART GALLERY OF WESTERN AUSTRALIA
FINANCIAL STATEMENTS AND KEY PERFORMANCE INDICATORS
FOR THE YEAR ENDED 30 JUNE 2010

I have audited the accounts, financial statements, controls and key performance indicators of The Board of the Art Gallery of Western Australia.

The key performance indicators consist of key indicators of effectiveness and efficiency.

Board’s Responsibility for the Financial Statements and Key Performance Indicators
The Board is responsible for keeping proper accounts, and the preparation and fair presentation of the financial statements in accordance with Australian Accounting Standards and the Treasurer’s Instructions, and the key performance indicators. This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements and key performance indicators that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; making accounting estimates that are reasonable in the circumstances; and complying with the Financial Management Act 2006 and other relevant written law.

Summary of my Role
As required by the Auditor General Act 2006, my responsibility is to express an opinion on the financial statements, controls and key performance indicators based on my audit. This was done by testing selected samples of the audit evidence. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion. Further information on my audit approach is provided in my audit practice statement. This document is available on the OAG website under “How We Audit”.

An audit does not guarantee that every amount and disclosure in the financial statements and key performance indicators is error free. The term “reasonable assurance” recognises that an audit does not examine all evidence and every transaction. However, my audit procedures should identify errors or omissions significant enough to adversely affect the decisions of users of the financial statements and key performance indicators.
The Board of the Art Gallery of Western Australia
Financial Statements and Key Performance Indicators for the year ended 30 June 2010

Audit Opinion
In my opinion,

(i) the financial statements are based on proper accounts and present fairly the financial position of The Board of the Art Gallery of Western Australia at 30 June 2010 and its financial performance and cash flows for the year ended on that date. They are in accordance with Australian Accounting Standards and the Treasurer’s Instructions;

(ii) the controls exercised by the Board provide reasonable assurance that the receipt, expenditure and investment of money, the acquisition and disposal of property, and the incurring of liabilities have been in accordance with legislative provisions; and

(iii) the key performance indicators of the Board are relevant and appropriate to help users assess the Board’s performance and fairly represent the indicated performance for the year ended 30 June 2010.

COLIN MURPHY
AUDITOR GENERAL
27 August 2010
Council Members’ Declaration

The financial statements of the Art Gallery of Western Australia Foundation are a special purpose financial report that has been prepared for distribution to members. As stated in Note 2(a) to the financial statements, in the Council Members’ opinion, the Art Gallery of Western Australia Foundation is not a reporting entity because there are no users dependent on general purpose financial reports.

Foundation transactions and balances are included in the Art Gallery of Western Australia’s financial statements and are separately disclosed as a Special Purpose Account. These financial statements are audited annually by the Office of the Auditor General. The audit opinion attached to the 2009 Foundation financial statements is the audit opinion issued to the Board of the Art Gallery of Western Australia for the financial statements of the Art Gallery of Western Australia for the year ended 30 June 2010.

The Council Members’ declare that the financial statements and notes set out on pages 6 to 13 present fairly, in accordance with the accounting policies described in Note 2 to the financial statements, the Foundation’s financial position as at 30 June 2010 and its performance for the financial year ended on that date.

In the Council Members’ opinion there are reasonable grounds to believe that the Foundation will be able to pay its debts as and when they become due and payable.

*The Cash Flow Statement should be read in conjunction with the accompanying notes.*
1. OBJECTS OF THE ART GALLERY OF WESTERN AUSTRALIA FOUNDATION

The Art Gallery of Western Australia Foundation was established in 1989 following an amendment to the Art Gallery Act 1959, Section 28A, which provides:

“The objects of the foundation are –
(a) to attract and retain for the Art Gallery the continuing interest and financial support of the community at large and to encourage donations to maintain, improve and develop the State collection of works of art and the facilities and well-being of the Art Gallery; and
(b) to perform such other duties and exercise such other powers as are provided for in the rules.”

2. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES AND POLICIES

(a) Basis of Accounting

In the Council Members’ opinion, the Foundation is not a reporting entity because there are no users dependent on general-purpose financial reports.

This is a special purpose financial report that has been prepared for the sole purpose of complying with the Council Members’ request to prepare and distribute a financial report and must not be used for any other purpose. The Council Members have determined that the accounting policies adopted are appropriate to meet their needs.

The financial report has been prepared in accordance with applicable Accounting Standards and Interpretations.

The financial report is prepared on the accrual basis of accounting in accordance with the historical cost convention. Unless otherwise stated, the accounting policies adopted are consistent with those of the previous year. Comparative information is reclassified where appropriate to enhance comparability.

(b) Accounting Policies

Membership pledges
Donor pledges of cash donations are recognised as membership pledges in the Income and Expenditure Statement when payment has been received.

Donated works of art
The value of works of art donated to the Art Gallery contributes towards membership of the Foundation. These donated works of art are recognised directly in the accounts of the Art Gallery and do not constitute income to the Foundation.

Contributions to the Art Gallery/Commitments
When the Foundation contributes funds towards the cost of acquiring Art Gallery assets, the cost is expensed in the year that the asset is on hand. All works of art acquisitions approved during 2009/10 were on hand at 30 June 2010. There were no commitments to purchase further works of art as at 30 June 2010.

Cash on deposit
Cash includes deposits at call with financial institutions and other highly liquid investments with short periods to maturity, which are readily convertible to cash on hand and are subject to insignificant risk of changes in value.

Cash deposits are held in a bank account which is administered by the Art Gallery of Western Australia. Payments made by the Art Gallery of Western Australia on behalf of the Foundation are recouped from cash balances on a regular basis.

(c) Accounts

All Art Gallery of Western Australia Foundation records and transactions are administered and maintained by the Art Gallery of Western Australia free of charge.

(d) Audit

From 2009, the Art Gallery of Western Australia Foundation financial statements will no longer be separately audited. Foundation transactions and balances are included in the Art Gallery of Western Australia’s financial statements and are separately disclosed as a Special Purpose Account. These financial statements are audited annually by the Office of the Auditor General.

3. CONTRIBUTIONS TO THE ART GALLERY

Acquisition funds are raised principally to fund the purchase of works of art by the Art Gallery. These are shown as a contribution to the Art Gallery in the year that commitment to fund the works of art occurs.

The total contributions made to the Art Gallery since the inception of the Foundation are:

4. CAPITAL FUNDS

The capital has been divided into four funds depending on the purpose for which the funds are held. The Acquisition Fund was established to provide funds for the Art Gallery to purchase works of art for the State Art Collection. Included in The Acquisition Fund is the TomorrowFund which was established in May 2008 to provide a sustainable funding source for contemporary art works. This fund includes $12.5 million funding from the State Government with a pledge to provide an additional $2.5 million when the remaining portion of the $10 million has been raised by the Foundation from corporate and private supporters. The Living Centre Fund was established to raise funds to support the construction of a Living Centre and Sculpture Garden on the Art Gallery site. The Contemporary Art Group was established to provide funds to purchase contemporary art works for the State Art Collection. The Foundation Bequests fund was established to manage funds bequeathed to the Foundation to provide a lasting legacy to the State Art Collection.
