

COVID-19 SAFETY PLAN

AGWA Learning programs and activities have resumed in accordance with enhanced safety and sanitisation procedures at the Gallery. We ask that all groups observe physical distancing and sanitisation guidelines as detailed below. Workshop participants will be required to use hand sanitiser before entering the studio and limit sharing of materials. Bookings may be affected due to maximum numbers allowed in the Education Studio.

For the health and wellbeing of our visitors and staff, the following safety measures and visit requirements have been put in place:

Safety measures

- Hand sanitiser stations throughout the Gallery.
- Additional cleaning of the Gallery including high-traffic areas and high-touch items.
- Cleaning of equipment in between workshops.
- Mobility equipment sanitised after each use.

Visit requirements

- Please do not visit the Gallery if you are feeling unwell.
- Please use hand sanitiser upon entering the Gallery. You will also find sanitiser stations throughout the Gallery.
- Please keep a 1.5m distance between yourself and other visitors.
- Please follow the instructions of Gallery staff.
- Please inform Gallery staff if you become unwell during your visit.
